

2020 OADN CONVENTION

VISION 2020

ADN EDUCATORS Leading the Way

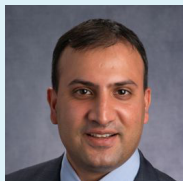

November 6-8, 2020

JW MARRIOTT
INDIANAPOLIS, INDIANA

TODAY'S CHALLENGES. OUR OPPORTUNITY.

We realize ADN leaders across the country are working in situations that they have never experienced. By November we will certainly have many examples of leading through these defining moments coupled with amazing stories from the front lines. The challenges we are facing now will undoubtedly bring incredible opportunities. As we consider this, we recognize that our convention topics may shift. New and engaging speakers may be brought forward to convey real time situations and solutions to moving nursing education forward. It is extraordinary times that bring us together and OADN is here to support you.
