

Jose Alejandro, PhD, RN-BC, MBA, CCM, ACM, FACHE, FAAN
Orange, CA

Dr. Alejandro is the Director of Case Management at the University of California Irvine Medical Center and Adjunct Professor at South University. Jose currently serves as the Ex-Officio Director and OADN Foundation President (2017-2019). Previously, he held faculty appointments at El Centro College (Dallas) and St. Petersburg College (Florida) and the University of Texas at Arlington.

He is a prominent expert in case management and working with at-risk populations. Dr. Alejandro was the 15th President (2012-2014) of the National Association of Hispanic Nurses. He is the President-Elect for the Case Management Society of America and Treasurer of the International Honor Society of Nursing Building Corporation of Sigma Theta Tau International.

Dr. Alejandro received his PhD in Human Services from Capella University; MBA in Accounting and Health Care Management from the University of Dallas; MSN in Nursing Education from University of Phoenix and BSN from the University of Texas at Arlington. He started his nursing career as a Licensed Vocational Nurse. Dr. Alejandro is a Fellow in the American College of Healthcare Executives and the American Academy of Nursing. He is certified in case management by the American Nursing Credentialing Center, Commission for Case Management Certification and the American Case Management Association.

In addition to OADN, he is a member of the American Academy of Nursing, American Association of Men in Nursing, American Organization of Nurse Executives, National Forum for Latino Healthcare Executives (NFLHE), American College of Healthcare Executives (ACHE), National League for Nursing (NLN), Sigma Theta Tau International Honor Society of Nursing (STTI), Case Management Society of America, American Nurses Association (ANA) and National Association of Hispanic Nurses (NAHN).
